

tempus

Using the latest in fabric technology tempus bring you a new amazing fabric perfect for salon & spa.

'X-static Silver' fabric. Silver is woven into the reverse of the fabric and the benefits to you are amazing!

- **Anti- Microbial** – destroys bacterial on contact keeping you safe.
- **Anti- Odour** – destroys the bacterial that causes odour on contact giving you confidence.
- **Anti- Static** – silver eliminates static charge keeping you feeling comfortable.
- **Thermo – Dynamic** – silver keeps you body warm in cool areas and cool in warm areas, perfect!

Silver has been used for thousands of years for its' magical healing powers'. We have trialled and tested this fabric not just in labs but in spas too with fantastic results. And now can offer it to you through our stock range 'Tempus Fusion' or a uniform exclusively to your salon or spa 'Tempus Couture'.

All at competitive prices in tempus modern-classic styles you love to wear.
